Dear Concordia Village Residents, Families and Staff:

RE: COVID 19 Update

We have no COVID 19 cases on site among Concordia Village Residents or staff. Our efforts are dedicated to keeping it that way. We ask you to advise us immediately about any symptoms concerning your loved one. While respecting privacy, we will alert all Residents, Families and Staff when or if the current all-clear changes.

Please continue COVID 19 precautions - wash your hands frequently, maintain your 6 foot distance from other people in the Village, on the grounds or at other establishments, and sterilize incoming packages.

In-Suite Housekeeping Services – fully restored, effective Monday, May 4:

Thanks to our Environment Services and Housekeeping Services teams, we are pleased to advise that we now have enough PPE (personal protective equipment) so that our Housekeeping Services people can re-start all weekly In-Suite Housekeeping Services. **Please remember to keep a 6 foot distance from our Housekeepers when they are in your suite.** If you have questions or concerns, please continue to contact Tammy Stolwyk at 204 667 6479, extension 5223.

Food Deliveries (Breakfast and Dinner) to each suite continue – reminders:

- Mobile Store order sheets are delivered each Wednesday with food deliveries.
