

June 23, 2020

Dear Concordia Village Residents, Families and Staff:

**RE: COVID 19 Update**

**All COVID 19 Precautions Continue at Concordia Village** - wash your hands frequently, maintain your 6 foot distance from other people in the Village, on the grounds or at other establishments, and sterilize incoming packages. With groups of 50 (indoors) now permitted, while precautions continue as above; you will see a gradual, modified return of services (such as Church Services, Dining, Musical Entertainment, and Recreation).

**Family Visits – up to two family members may now visit in-suite with Residents:**

Effective Tuesday, June 23, we are now able to relax a bit more, so that any two family members per day per Resident may visit. Incoming family will continue to be screened (5 questions) at the front entrances (I and II) and asked to mask up during their in-suite visit.

**Church Services and Recreation Activities – have recommenced in a modified, sign up basis:**

The Village Centre is again being used for Church Services. As groups are limited to no greater than 50, and 6-foot distancing is still required; we repeat that day's service multiple times, so that all Residents can attend, albeit in smaller groups. **Musical entertainment and other Recreation Activities have also re-commenced.** Dates and times are posted for sign up by Residents, via the usual memos, calendars, and posting locations.

**Village Store has re-opened on a sign-up registration basis, Mobile Store has been suspended:**

Residents enjoy being able to buy basics (e.g. bread, coffee, confections, toothpaste) on site at the Village. We have re-opened the Village Store at the Centre. The Mobile Store, which served this purpose during the high-risk COVID season, has therefore now been suspended.

**Dining Room Services – have returned effective Wednesday, June 24, in a modified manner:**

Following all guidelines as provided by the Provincial Government and our Health Inspector:

- Breakfasts are available at pre-selected times - 7:30 a.m. or 9:00 a.m.
- Dinners in Village I Dining Room are available at pre-selected times – 4:00 p.m. or 5:15 p.m.
- Dinners in Village II Dining Room will resume as per pre-COVID normal, 50 Residents per section.

Pre-selected times can be modified if, for example, Home Care scheduling requires that. Pre-sterilization of all Dining Room surfaces has been done.

**For more Provincial Health information, please access - <https://sharedhealthmb.ca/health-providers/coronavirus-resources/>.** If you have Village-COVID-related questions or concerns, please contact me at any time - Les W. Janzen, CEO, Concordia Wellness Projects Inc. at [ljanzen@concordiavillage.ca](mailto:ljanzen@concordiavillage.ca)
