Dear Concordia Village Residents, Families and Staff:

**RE: COVID Update - To the best of our knowledge, we have no active cases among Concordia Village Residents or Staff.**

**Arising from the Critical (Red) Provincial Press Release dated today, current or new precautions are:**

- Restrict contacts to those in your household, social gatherings are not permitted,
- Screen all incoming Visitors (only Essential Caregivers are now permitted entry),
- Re-instate Essential Caregivers that we had listed as of May 22, 2020,
- Deliver all other parcels dropped at Village I or II Reception (via our staff) directly to the Resident,
- Provide these internal Deliveries daily from 8 a.m. – 8:00 p.m.,
- Self-isolate for 14 days on return from any overnight stay at a Hospital,
- Ensure that no more than two people at a time use the Elevators,
- Alert by Power of Attorney (POA) or family contact when Resident COVID testing occurs, and
