Dear Concordia Village Residents, Families and Staff:

RE: COVID UPDATE - IMMUNIZATIONS SCHEDULED
-FOR ALL CONCORDIA VILLAGE RESIDENTS
-ON TUESDAY, MARCH 16, 2021

We are pleased to advise that all Concordia Village Residents will receive the first dose of the COVID vaccine on March 16th.

Provincial Public Health immunizers will come to each suite starting at 9:00 am on March 16.

Important things to know:

- Resident vaccines on that day are not pre-scheduled.
- You need to be at your suite that day to receive your vaccine.
- There are forms that need to be filled out prior to March 16, 2021.
- Screening will be available to receive your form daily, between 8:00 am - 9:00 pm.
- Your form is to be returned to the Screening Desk by 4:00 pm on Tuesday, March 9th.

If for any reason you miss your shot that day, please contact any one of us (listed below), and we will arrange for an Immunizer to return to your suite later that same day.

Like with all vaccines, after your shot you will be asked to remain seated in your doorway for fifteen minutes, so that Concordia Village staff can monitor you for any vaccine reactions.

The second COVID shot is estimated to be on Tuesday, April 6. Another COVID Memo, shortly before that, will confirm.
