Dear Concordia Village Residents, Families and Staff:

**RE: COVID UPDATE - IMMUNIZATIONS SCHEDULED – SECOND DOSE**  
**-FOR ALL CONCORDIA VILLAGE RESIDENTS -ON TUESDAY, APRIL 6, 2021**

We are pleased to confirm that Concordia Village Residents will receive the second dose of the COVID vaccine on April 6.

From experience on March 16, we estimate that Immunizers will be arriving at your suite:

-9:00 a.m. – Noon	@ Concordia Village I
-9:00 a.m. – Noon	@ Concordia Village II
-1:00 p.m. – 4:00 p.m.	@ Concordia Village III

**Important things to know:**

- Resident vaccines on that day are not pre-scheduled.
- You need to be at your suite that day to receive your vaccine.
- If you missed your first vaccine on March 16, you can receive it on April 6.

**If for any reason you are not at your suite when the Immunizers arrive, we will leave this Memo at your door with a phone number to call. That will enable us to arrange for an Immunizer to return to your suite later that same day.**

Like with all vaccines, after your shot you will be asked to remain seated in your doorway for fifteen minutes, so that Concordia Village staff can monitor you for any vaccine reactions.

Following this April 6 Immunization event, we will follow up with any Residents who may still need a first or second dose, and work with you and your family to ensure that all Residents will have received the COVID vaccine.
