Dear Concordia Village Residents, Families and Staff:

RE: COVID Update - Arising from recent changes to Provincial Public Health Orders, precaution changes at Concordia Village, effective today are:

- Under the new provincial health orders every suite is allowed 5 visitors per day per suite,**
- Essential Caregivers can still come and go and do not count towards the 5 visitors per day per suite,**
- Church, Exercises, and recreation programs will increase in capacity,**
- Outside Visits, of up to 25 persons plus the Resident, are now permitted, but you must be able to maintain social distance**

We continue with the following precautions:

- Screen all incoming Visitors and Essential Caregivers,**
- Deliver parcels dropped at Village I or II Reception (via our staff) directly to the Resident,**
- Provide these internal Deliveries daily from 8 a.m. – 8:00 p.m.,**
- Ensure that no more than two people at a time use the Elevators,**
- Continue to wear masks,**
- Alert us of any Positive test results for COVID.**
