

Dear Concordia Village Residents, Families and Staff:

RE: Covid Testing and Requirements if you Test Positive for Covid

-If you have any cold like symptoms, PLEASE do not go to the dining room or programs, we encourage you to call a friend or family member to bring you a Covid Rapid Test and you, or your family/friend can assist you with doing the test. Rapid Tests are available at various locations; grocery stores, pharmacies, doctors offices, libraries etc.

****Concordia Village staff are not equipped to assist you with Covid Testing, so please ask your family or friend to assist you if needed. ****

-If you have cold like symptoms, and are unable to get a Covid rapid test, we ask that you assume you have COVID.

If you Test Positive for Covid:

-You will need to isolate in your suite for 5 days.

-Please call the Front Desk at 204-667-6479 to inform them:

CVI- Ext 5221- Lisa

CVII & III- Ext 5222- Tracy

The receptionist will inform our leadership team and staff will not be able to go in your suite until the 5 day isolation is over, this includes the housekeeping and maintenance staff.

Reception will also order all your supper meals, to be delivered on your ledge. Please do not come out of your suite to retrieve your supper until the person has left the area.

For breakfast orders, please call the kitchen at:

CVI Kitchen- Ext 5230

CVII Kitchen- Ext 5240

We wish you a speedy recovery!
